ARE YOU... EXPERIENCING HOMELESSNESS?

*Couch surfing? Living out of your car?
Staying in an abandoned trailer or building? Sleeping in the cold?
Living off the grid?*

If you need housing we need to know.

Count Yourself In.
*Save the Date for the
Point In Time (PIT) Homeless Count
January 27, 2022, 9am to 4pm*

Why do we do a PIT Count?

The results from this count will help bring funds and services to Lake County for our neighbors experiencing homelessness.

The surveys taken on this day also help us to better understand the needs of our neighbors without stable housing so we can better educate our community and provide services.

Who can take the survey?

The PIT Survey is only for those who are currently experiencing homelessness or not living in a place meant for habitation. A meal and gift bag will be provided to each person completing the survey.
