Pictured below are Jayce and Billy proudly showing off all their hard work. Teacher Joy has been keeping the Early Childhood Education Participants busy with monthly activities that is also sent to members preschool aged to stimulate their creativity and take advantage of their willingness to learn. Remember we have our virtual class Zoom every Tuesday and Thursday from 11:30a until 12p. Call to schedule a Pre-school Assessment date either May 7th or 14th.

## And the Winner is...

Nobalie Snow has been doing an amazing job and getting her due recognition. She received her Varsity letter, got most improved for cross-country, and all the while maintained a G.P.A. above 3.5! To say we are proud of you is an understatement. Keep doing you and reaching for the stars!

### Attention Boys With Braids

#### How to respond when someone says;

@superneech

**Why do you wear your hair like a girl?**

The men in my community have been wearing their hair like this for thousands of years

**MY FAMILY LET'S ME CHOOSE HOW I WEAR MY HAIR. WHO DECIDES HOW YOU WEAR YOURS?**

Just because I look different than you doesn't mean that I don't have feelings. Please don't be rude.

I wear my hair like this because my ancestors weren't allowed to when they were forced to go to residential school

WEARING MY HAIR LIKE THIS LETS MY PEOPLE KNOW THAT I AM A WARRIOR IN TRAINING. HOW DO YOUR PEOPLE SHOW THAT TO OTHERS?
