## Back to School!

Here are a few pictures of Tribal youth "excited" for the first day back to school... For some it was their first time back to school in a year and a half, others it was their very first day of school. The "Center" is back open and ready for the challenges that lay ahead for us all. It's an exciting and scary time for students and parents alike but we will stay HPUL Strong and make it through successfully!
