October Heart Award:

This last month's Heart Award recipient is Kendal Johnson (pictured below left), she was nominated by Kennedy. The teacher wrote that "Kendal is sweet and smart and ALWAYS does her BEST"! Kendal will receive an Amazon gift card for her hard work and dedication to school. Way to Get 'er Done! If you know someone, who you feel is deserving of recognition, please submit on the Tribe's portal at hpultribe-nsn.gov on the Education page or to Joy Marcks, Education Director, at jmarcks@hpultribe-nsn.gov

"The best people possess a feeling for beauty, the courage to take risks, the discipline to tell the truth, the capacity for sacrifice. Ironically, their virtues make them vulnerable..."

Grid Iron Bro's!

Rudy Brown Jr. (pictured top left) and his brother, Sammy Ambrecht (pictured top right) both play for the Upper Lake Jr. Cougars football team. Although it has been a wild season, both boys are having a great time and love the sport! I'm sure the coaches for high school are eager to get them going.

Sammy is already a natural athlete, while Rudy is not far behind. It will be fun to watch where sports takes these two. Keep on working hard!

Clippin' Up to the Principal

Jack Marcks (pictured above), has been trying his hardest all school year long to "Clip Up to the Principal"! Clipping up is a reward system used by the Upper Lake Elementary School, to give students something to strive for each and every day. During class time students can clip up to their teacher by behaving properly in class, participating in discussion, and using appropriate school etiquette. Once a student has clipped up to the teacher the next step to strive for is to then clip up to the Principal which includes a self portrait posted on the school's Facebook page! Hard work pays off... Way to GO Jack!
