N.A. Motivation Day at Mendocino College:

On Wednesday April 27th, the Education Center took a field trip to the Ukiah, CA campus to learn about and visit the following departments: Nursing, Early Childhood Development, Resource & Tutoring, Library, Automotive, Recording Studio, and MESA (Mathematics, Engineering, Science Achievement). It was great exposure to an academic experience.

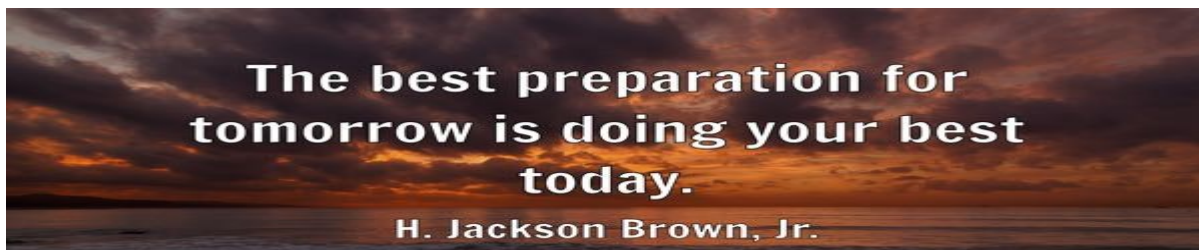

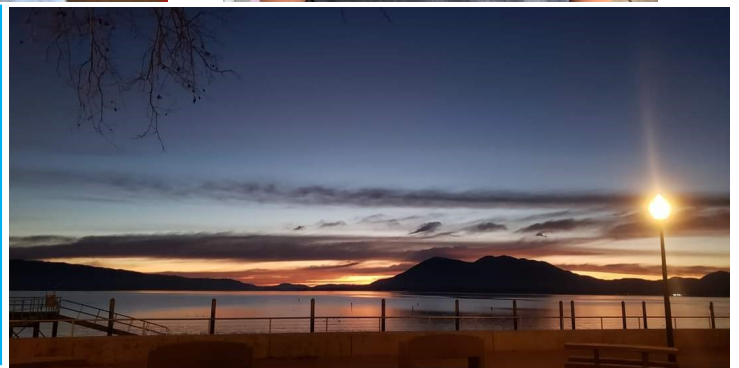

State Testing Stand Outs!

Tribal Members Maylea Martinez (pictured right) and Mikey Marcks (pictured far right) proudly display their medals. Maylea received 1 for ELA (English, Language, Arts) and Mikey received 1 for ELA and 1 for Mathematics. The Education Department is very proud of their hard work. Bobcat Pride!

Super Youth Award:

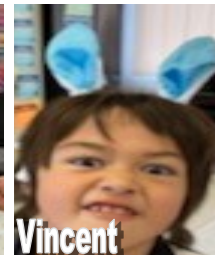

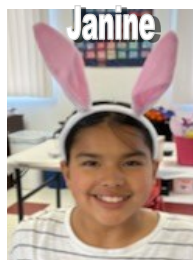

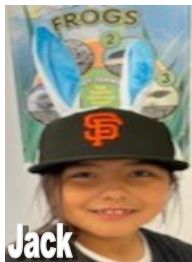

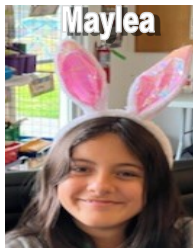

If your child or you know a child who deserves recognition, please nominate them for the Tribe's **Super Youth Award**, contact education staff or submit via the Tribe's website portal at <http://pulptribe-nsn.gov> on the Education page.

Hoppy Easter!

It rained on the day of the Education Center's egg decorating party... But we made the most of it and had fun eating candy, pizza, cupcakes and coloring eggs. A big shout out and thanks to the Running Creek Casino kitchen staff for boiling the eggs for us. We hope everyone else had a fun time with their families and were able to feel a little bit of normalcy. Spring has sprung and Summer is right around the corner!

Let the Games Begin!

Friday's, April 15th thru May 6th from 2pm-4pm, students at the Education Center have been taught and are taking lessons in learning to play traditional Pomo Hand Games, facilitated by the Tribe's Cultural Resources Department. Each youth was given the opportunity to design their own game materials to keep and take home. As an ageless activity, it has allowed for all the youth to interact and play with one another.
