On May 2nd, HPUL staff and Tribal Members attended the Lake County Board of Director meeting at Lake County Superior Court, where the Board of Supervisor signed the proclamation recognizing May 5th as Lake County Day of Awareness for Missing and Murdered Indigenous Women and People. It was a memorable day to witness the amount of people that this has touched.

The HPUL After School Program was privileged to attend Lake Co. Tribal Health Consortium's, Missing and Murdered Indigenous People Day. It was a great event with speakers, educational and crafty booths, great food, and raffles.
