1) How do I know if I have to appear by video or phone? Review the "Notice of Hearing" or court order setting a hearing to see if you can or must attend the hearing by video or phone.

The top left corner will tell you if you can appear by video or phone.

2) Where do I find the hearing information? The day, date, time, and location of your hearing will be on the Notice of Hearing or court order.

PLEASE TAKE NOTICE that a hearing has been scheduled in this matter on:				
Day:	<u>Monday</u>	Date: <u>1/23/4567</u>		
Time:	<u>1:11 p.m</u>	Location: Address (or it will indicate online only)		

3) What should I do before the hearing?

- Make sure you have a phone, tablet, or computer with internet access if you want to appear using the video link. Otherwise, make sure you have access to a phone so you can call in.
- Try to find a quiet place with minimal background noise and distractions. The hearing will take longer than necessary if the parties must repeat themselves or step away from the hearing frequently to tend to distractions.
- Have the documents for your case in front of you so you can refer to them if needed.
- If you plan on submitting any new documents to the court at your hearing, you should deliver a copy to the other parties so everyone will be prepared to discuss it at the hearing.

4) How do I appear by video? To participate in the hearing, you will need to open the video link in your web browser and enter the meeting ID and the password when prompted.

- Take notes. The court may ask questions or ask the parties to submit more information to the court.
- 8) What happens after the hearing? Any orders entered by the court will be delivered to you by mail and/or email. You may need to make arrangements to pay fines or costs as ordered. You may also need to follow up with the Court Clerk if you do not receive an order within two weeks.
