

CAROL C. MUNOZ

TREASURER, EXECUTIVE COUNCIL
HABEMATOLEL POMO OF UPPER LAKE

Carol C. Munoz has been a dedicated member of the Habematoel Pomo of Upper Lake Executive Council since July 2020, initially serving as Secretary. With a proven track record of proposing and enacting fair and equitable laws, Carol is committed to making a positive impact on the lives of Tribal Members.

In her role as Secretary, Munoz safeguarded and promoted the safety, morale, and general welfare of Tribal Members. She played a crucial role in adopting laws and resolutions, negotiating agreements with various governmental and private entities, and managing the Tribe's economic affairs. Carol also focused on promoting public health and education, preserving native arts and culture, strengthening government-to-government relationships, and ensuring access to housing for Tribal Members.

As the newly elected Treasurer, she brings her extensive experience in budgeting, financial planning, and economic management to the forefront. Her background includes managing multiple global programs, cultivating strong relationships with key stakeholders, and overseeing business development and marketing strategies. Carol's expertise in project management, communication, and community relations will be invaluable in her new role.

Munoz is particularly dedicated to addressing inadequate housing and homelessness within the Tribe, striving to provide safe and secure living conditions for all Tribal Members. Her dedication to the Tribe extends beyond her professional responsibilities. She has volunteered to train recovering addicts, individuals on/off public assistance, veterans, and underrepresented minorities in the promotional products industry, contributing to the enrichment of the San Francisco Bay Area community.

Munoz was born in Lake County and currently resides in Santa Rosa, California. She served on the Personnel Committee from 2002 to 2021 and has served on the Constitution Review Committee since 2019. Carol looks forward to serving her Tribe and the community in her new role, bringing honor to her family and ancestors through hard work and dedication to the Tribe by helping preserve its sovereignty, culture, health, and well-being for future generations.
